## SPOT THE DIFFERENCES

**WHAT YOU NEED:** Spot the Differences Page & Answer Key page, timer, pencils, crayons

### WHAT YOU DO:

- Give your child the "Spot the Differences" Page and a pencil.
- Set the timer for whatever amount of time you think it will take your child to spot all of the differences on the two drawings.
- When you say go, have your child circle as many differences as they can find between the two pictures.
- Use the answer key to help your child see if they spotted all the differences on the page.

## TALK ABOUT IT

Talk with your child about this week's story. Use the following as a guide:

- In today's story, who was the hero who stopped to help the hurt man? (the Samaritan)
- What made the hurt man and the Samaritan different from each other? (At that time, Jewish people and Samaritans didn't get along.) Did that stop the Samaritan from helping the hurt man? (no)
- What do you think it means to love or show kindness to your neighbor?
- Who is your neighbor?
- Why do you think it's sometimes easier to show kindness to our friends than it is to show kindness to people we don't know as well?
- What are some reasons someone might be unkind to someone else?
- Have you ever seen that happen?
- Why would someone look the other way and not try to help in that situation?
- How can you be kind to someone who's different from you?

Parents, share about a time when someone who was different from you did something kind for you.
