### GIVE IT AWAY

**WHAT YOU NEED:** Share and Share Alike Page, Bible,  
markers and/or crayons

#### WHAT YOU DO:

- Give your child the Share & Share Alike page.
- Guide them to point to the words as you read the verse at the bottom.
- Have them use markers or crayons to draw pictures of themselves sharing with someone.
- Ask prompting questions if your child is stuck on what to draw:
  - Could you share with a friend? Who? What could you share with them?
  - Could you share with your brother or sister? What could you share?

Say "Everything that we have comes from God. And God wants us to be responsible and share what He gives us. When you share with others, you show them that you love them and that God loves them, too. You also show God that you can be trusted with both small AND big things. So remember, share what you have."

## TALK ABOUT IT

Talk with your child about this week’s story. Use the following as a guide:

- In Jesus’ story, what “problem” did the rich man have? (His land produced so much grain that he didn’t have room in his barns to store it all.)
- What did the man decide to do to solve his problem? (Build bigger barns)
- Why do you think God was upset with the rich man in the story? (The rich man was selfish; he could have shared his extra grain with a lot of people.)
- Have you ever had a hard time sharing something you loved?
- This week, what’s one way you can share what you have with someone else?

Parent: Tell a story about a time when you struggled to share something. Then, tell a story about a time you shared what you had. Talk about how you felt after each experience, and how those feelings were different in each situation.

### PRAY

Dear God, it’s so easy for us to hold on too tightly to the things we have. When we see others in need, help us to be willing to share what we have. You’ve given us so much! You even gave Your own Son to die in our place. Help us to look for opportunities to share what we have with others. Amen.
