first look
parent cue

First Look cues parents of preschoolers through the several different pieces each month.

Parent Talk
This piece is designed specifically for parents of babies and toddlers. Offered monthly, each "Parent Talk" includes a real life parenting story that reflects the ups and downs of parenting small children. This piece is also rich in vision and practical suggestions to help parents as they raise their kids and grow in their own faith.

Small Talk
"Small Talk" will be offered both as a monthly and weekly piece. This piece provides summaries of each Sunday's lesson and equips parents with ideas to integrate Sunday's learning into everyday activities with their child throughout the week through

- Drive Time
- Play Time
- Bath Time
- Cuddle Time.
